

Dear Father O.,

Thank you for
everything !!

Anne Lu

Dear Father Olivera,

Congratulations on 25 years of priesthood! Even though I have only known you for about a year, you are one of the few priests I have come to know more personally. St. Paul once said, "where sin increased, grace overflowed all the more," (Rom 5:20), and you been so essential to my receiving of grace to grow closer to Christ. Thank you for always being there to hear my confessions whether they are on retreats or at Bible study. Your advice and guidance has truly helped me to find a sense of direction after admitting the times I have fallen into sin. I have to thank you for a great retreat experience this year, as well. I never knew that Mary was such an essential part to the Catholic faith until you taught me about her and the Rosary. Your knowledge and wisdom of God's love is truly inspiring to me and has helped me know God so much more intimately because of it. I remember during the retreat this year I suddenly felt as though I could see the relationship between the Church, the Trinity, Mary, and the saints so clearly, and peace overtook me because it was as if I could understand God a little more in my life and see my place in this relationship between the Church and Christ. Thank you for all that you've done for me and have a Happy Father's Day!

Sincerely,

Matthew Wen
